1

Language Selection and Contract Review

- The agent selects the farmer's preferred language in the system.
- The system displays the loan contract in the selected language.
- The agent reads and explains the contract terms to the farmer.

2

Farmer Consent

- If the farmer agrees to the terms and conditions of the contract, the agent clicks the Agree and Confirm buttons in the system.

3

Contract Request Submission

- Lersha's system sends a contract request to NIB Bank, including:
 - Farmer ID
 - Preferred language code

4

Contract ID Generation

- NIB Bank's system verifies that the farmer's loan has been approved.
- Upon successful verification, NIB Bank sends an SMS containing a unique Contract ID to the farmer's registered mobile number.

5

Contract ID Verification

- The farmer provides the received Contract ID to the agent.
- The agent enters the Contract ID into the system and submits it.
- Lersha's system sends the following information to NIB Bank:
 - Farmer ID
 - Contract ID

6

Contract Signing Confirmation

- NIB Bank's system validates the Contract ID against the farmer's loan record.
- Upon successful validation, the system marks the loan agreement as Contract Signed and completes the contract acceptance process.
